

Mediatization

Scientific conference

Mediatization of public and private spheres International comparative perspective

Lublin, 17-18 June 2021

Organizers: Institute of Social Communication and Media Science, Maria Curie-Skłodowska University in Lublin, Institute of International Studies, University of Wrocław,
Research section: Mediatization – Polish Communication Association

The goal of this academic event is to provide a forum for discussion and cooperation among mediatization scholars, as well as to give the space to deliberate on key problems of media studies and mediatization research, including new phenomena of deep mediatization.

Suggested topics list:

- Theory of mediatization – conceptualizations and operationalizations – the constructivist and systemic/institutional approaches;
- Investigating the (meta)process of mediatization - the methodological challenges;
- New manifestations of mediatization in different cultures, as well as in various societal, political and technological contexts;
- Mediatization of political communication – automatization, platformization, algorithmization;
- Mediatization of communication, and culture;
- Mediatization of journalistic practices;
- Idiosyncrasies of different domains of mediatization – education, religion, arts, music, literature, sport, consumption and other fields of private and public life;
- The deepening of mediatization process – digitalization and datafication, supersaturation of private and public life.
- Mediatization research in media studies; Media related changes in social, cultural and political contexts;
- and others.

Confirmed keynote speakers include, among others, professor Rita Figueiras (Universidade Católica Portuguesa, Vice-chair of Mediatization Section ECREA), professor Goran Bölin (University of Södertörn, Executive Board Member of ECREA)

Form: hybrid, direct and online participation, depending on the pandemic conditions.
