International Conflicts in modern World: between Regional Confrontation to Global Rivalry

International Scientific Conference
December 3, 2021

INFORMATION LETTER

DEAR COLLEAGUES!

On behalf of the International Security and Partnership Centre we are pleased to invite you to take part in International Scientific Conference “International Conflicts in Modern World: between Regional Confrontation to Global Rivalry” that will take place on December 3, 2021 at the Faculty of International Relations of Ivan Franko National University of Lviv (Lviv, Ukraine).

This summit will allow us to discuss issues of:

- Conflict factors of the modern international system;
- Institutional mechanisms of conflict resolution and conflict management in Post-Soviet space: problem of efficiency;
- New diplomatic methods and approaches in conflict resolution: experience of the conflicts in the new independent states of the former Soviet Union;
- Military and political aspects of the contemporary international conflicts;
- Energy diplomacy and energy security of the states in Post-Soviet space;
- Struggle for resources as a challenge to nowadays economic security;
- Protection of the state economic interests in the context of international conflicts;
- Modern international humanitarian law under international armed conflicts;
- Protection of the human rights in modern armed conflicts;

- Issue of compliance and implementation of international legal obligations of the parties and participants in international armed conflicts;
- Information operations as an instrument of influence on conflicting parties;
- The use of modern information systems and technologies in contemporary international conflicts;
- Mass media and mass communications in modern in contemporary international crises and conflicts.

We are welcoming to participate in the conference scientists, university professors and doctors, students, post-graduates and representatives of research institutions, practitioners of public administration and local authorities of Ukraine and other countries that are actively engaged in scientific researches in the field of politics, economy, law, sociology and history.
